

## Indigenous Advocacy

Global Soul is committed to standing alongside Aboriginal and Torres Strait Islander peoples, ensuring that every voice is heard, respected, and represented. Our advocacy focuses on addressing the unique challenges faced by Indigenous individuals experiencing homelessness, hardship, and social disadvantage.

We work to promote culturally safe support, strengthen community connections, and empower Indigenous families by collaborating with Elders, community leaders, and local organisations. Through listening, understanding, and meaningful action, Global Soul strives to help restore dignity, preserve culture, and support pathways toward long-term healing, housing, and wellbeing.
